SPECIAL NOTES:

Products were tested on uncoated polycarbonate in a stress position for 24 hours. Because manufacturers can change their formulas without notification, Covestro can not guarantee compatibility into perpetuity.

The manner in which you use our products, technical assistance and information (whether verbal, written or by way of production evaluations), including any suggested formulations and recommendations, are beyond our control. Therefore, it is imperative that you test our products, technical assistance and information to determine to your own satisfaction whether our products, technical assistance and information are suitable for your intended uses and applications. This includes testing to determine suitability from a technical as well as health, safety, and environmental standpoint. Such testing has not necessarily been done by us. All information and technical assistance is given without warranty or guarantee and is subject to change without notice. It is expressly understood and agreed that you assume and hereby expressly release us from all liability, in tort, contract or otherwise, incurred in connection with the use of our products, technical assistance, and information. Nothing herein shall be construed as a recommendation to use any product in conflict with any claim of any patent relative to any material or its use. No license is implied or in fact granted under the claims of any patent.
